**Thiruvananthapuram-695 001**

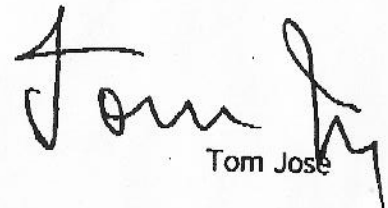

13<sup>th</sup> September, 2018

**No.66/CS/2018**

**Note**

It is observed that most of the departments are submitting only the figures regarding losses they suffered during Kerala Floods 2018 to SDMA. This is not sufficient as we need to rebuild the lost assets/infrastructure. For this purpose the replacement cost of the assets/infrastructure lost also need to be calculated on a build-back-better mode.

The assessment that includes the replacement costs should reach the Additional Chief Secretary, Revenue & Disaster Management at the earliest positively by 20<sup>th</sup> September, 2018. Copies of the reports are to be given to the Additional Chief Secretary, Planning & Economic Affairs and Principal Secretary Finance. This is urgently required for submitting the memorandum for special package.
