It is noted while considering the transfer requests that a large number of applications are received in this Directorate seeking transfer for those who have not completed even one year of service in a particular station. This creates instability in functioning of the office and administrative inconvenience.

2. In view of the above, all NCC Units and Group Headquarters are hereby directed not to forward the transfer requests of those employees who have not completed minimum one year of service in the present office and also those who have not completed mandatory DRB service.
