Sir,

This is to invite participation from the players of your command to take part in the Inter-services Squash Championship being organized by the Kerala Squash Rackets Association on the 8th of October 2019 at the CSN Squash Stadium, Palayam, Trivandrum.

The tournament shall have teams on invitation from Southern Naval Command, Naval Academy – Ezhimala, Southern Air command-Trivandrum, Military Camp – Pangode, CRPF Group base – Trivandrum and the Kerala Police. Each team shall be allowed to send 3 players and there shall be no restriction on age. However, the players should be currently serving in the respective service.

This being a first such initiative by the Kerala Squash Association, we shall be inviting only male players due to non-availability of female players in most services.

We regret the invitation being submitted at a short notice as the event had to be advanced to October as against the proposed date in November due to instruction from the National Federation.

Hope the details mentioned are adequate and specific. I shall be reached on my mobile (9744389999) or email squashkerala@gmail.com for further clarifications if any.

Keenly looking forward for the participation of your team.

Yours truly,

Anish Mathew
Secretary | Kerala Squash Rackets Association
